

DIRECTIONS TO THE LIONS CAMP AT ROSS RELLES NEXT TO MALAKOFF DIGGINS

DO NOT USE MAPQUEST or GPS directions; they use bumpy, winding dirt roads. GOOGLE Camp Ross Relles is OK.

From the intersection of Highway 80 and Highway 49 in Auburn, go north (left at the light after you take the 49 turnoff) on Highway 49 through Auburn, on to Grass Valley (about 25 miles from the 80/49 intersection; WARNING—the 55 MPH speed limit above Auburn and the headlight requirement from Dry Creek Road just north of Auburn to south Grass Valley are strictly enforced by CHP), then on to Nevada City. Just above Nevada City, Highway 49 makes a left turn from a left turn lane. Take that turn. Go 10+ miles. There is a big sign on the right that says turn right to Malakoff Diggins. Make that right turn onto Tyler Foote Crossing Road. Go 9+ miles to a point where Tyler Foote Crossing Road makes a 90 degree turn to the left. (FOLLOW THE YELLOW CENTER LINES) Go straight. The name of the road is now Cruzon Grade Road. Go just over 4 miles to Derbec Road. Turn right. Go about 3/4 of a mile, where Derbec Road T's into North Bloomfield Road. Turn left onto the dirt road. At about 4/10s of a mile, you will see a large the Camp Sign on your right. DO NOT USE the service Road that is at that sign. Go another 500 feet to the main entrance between the white Lions that lead into the camp. Park in parking lot 1 or 2 and walk to the lodge.
